

SOCIAL RESPONSIBILITY

[Home](#) [Social Responsibility](#)

We, at The Learnyard, are proud to partner with the NGO – Lets Celebrate Fitness (LCF) on our mission to create opportunities for children that lead them on a path to growth while making India a multi-sport nation.

Started with a group of runners to promote the idea of being healthy, LCF now passionately work towards food relief, clothing, shelter and education for communities. The expansion of their horizon was a result of the COVID-19 pandemic. Witnessing its hard-hitting impact on the underprivileged made the team at LCF extend its humanitarian services towards serving and uplifting the ones who are in very much need of it.

Led by a selfless team, their campaigns include:

1. Grocery distribution
2. Daily assistance to the elderly
3. Sanitary napkin distribution to women and girls in need of basic hygiene
4. Covid prevention kit distribution (mask and sanitisers)
5. Cloth Bank
6. Book Bank
7. Utensil Bank
8. Shelter Relief
9. Providing the homeless with job opportunities
10. Free sports training for street students

“Hunger is for all ..lets help a few to get away from it...”

Richa Sameet
-Founder

Over the past year, they have delivered groceries worth rupees 40 lakhs to 12 orphanages with around 480-500 kids each, two old age homes and several quarantined people. And, continue to deliver more than 2000+ food packets all over Navi Mumbai and Mumbai along with 400 bottles of water to the underprivileged every day. They have distributed more than 50,000 masks in the slums and conducted yoga sessions for around 1400-1500 COVID-19 patients at the CIDCO Exhibition Centre, Vashi, Navi Mumbai.

Besides that, they have initiated a cloth, book and utensil bank at a storehouse in Sector-9, Vashi, authorised by the Navi Mumbai Municipal Corporation (NMMC). They are also in the process to expedite their shelter relief campaign in Belapur, Navi Mumbai, starting with 15 elderly women who have lost homes due to family conflicts, thereby making their children economically insufficient. Once in process, they will start focusing on helping their children by creating job opportunities for them.

LCF is doing its bit and we are glad to be associated with them on our common core vision of making our communities better each day.
